

## Civil Litigation Attorney

We are seeking an experienced civil litigator to work in our Austin office. The ideal candidate should have a minimum of 5 years of defense experience in general liability, premises liability, auto accidents, worksite accidents, products liability cases, or construction defect cases, and should possess strong research and writing skills. Trial experience is a must. Experience in appellate work is a plus. We would love for you to bring along some of your own clients – but if not, we have plenty of work for you. You will be responsible for all aspects of the cases assigned to you, including discovery, motion practice, and trials, however you will need to be a team player. Compensation will be commensurate with your skills and experience. Benefits include: medical, dental and vision insurance; 401(k) with matching, and more.

We are a mid-sized, busy civil litigation defense firm in Austin. We work hard, but our firm culture is relaxed and supportive. We have an open-door work environment promoting collaboration and mentorship. We greatly value those who take pride in their work, and those who are willing to learn from others and share their own knowledge too.

Please send your resume, cover letter, references, and compensation expectations to [info@chmc-law.com](mailto:info@chmc-law.com).
